

# Voting System Post Election Audit Report

County: Hernando

Date of Election: November 4, 2008

Precinct Number(s): 25 & 26

Race: 5<sup>th</sup> District Court of Appeal – Kerry I Evander

**1. Overall accuracy of the audit:**

Excellent

**2. Description of any problems or discrepancies encountered:**

Precinct 26 – count off by one (1) in the polling total. It is believed that a ballot was counted twice due to the ballot being jammed, the message on the LCD being misread and was put back through the counter.

**3. Likely cause of such problems or discrepancies:**

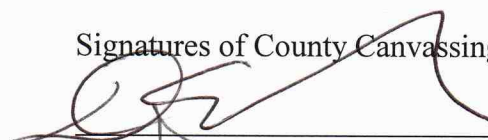

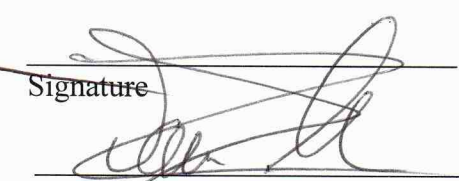

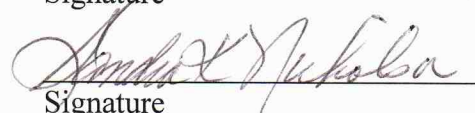

Poll worker (ballot box attendant) should not have put the ballot back through the counter.

**4. Recommended corrective action with respect to avoiding or mitigating such circumstances in future elections:**

Ballot box attendant training on how to read the LCD screen on the AccuVote unit more accurately.

I hereby certify that the report of the voting system audit performed for the November 4, 2008 General election is accurate and that attached are precinct summary reports for each precinct audited.
