## **Beyond the Ballot- Workshop for New Voters**

Hernando County Supervisor of Elections (HCSOE), Shirley Anderson, is pleased to announce a workshop series entitled *Beyond the Ballot*. This workshop will be an opportunity for all voters who want to learn more about the elections process- especially those new to our state or voting for the first time in 2020.

Voters will be checked in upon arrival on an electronic poll book, simulating the check-in process at a polling site. After a brief presentation where we will discuss various ways to vote attendees will cast a “ballot” on an actual tabulation machine. The entire workshop will mimic what a voter will experience on Election Day or during Early Voting. Voters will also learn about the Vote-by-Mail process, election results, and election security.

“We are excited to present this program and engage with our new voters. The more prepared a voter is the better their voting experience will be. By knowing what happens beyond the ballot a voter will be election ready in 2020,” stated Supervisor Anderson.
