FOR IMMEDIATE RELEASE

Presidential Preference Primary Election and COVID-19 Update

The Presidential Preference Primary will be held on March 17, 2020. All polling locations will be open from 7:00am-7:00pm. We have been closely monitoring the COVID-19 virus through frequent communications from our federal, state partner and local partners.

Our number one priority is the health and safety of our election workers, our voters and staff. We will be deploying hand sanitizer, disinfectant wipes, gloves and tissues to be utilized by election workers in order to wipe down items frequently.

All election workers are asked to practice good hygiene by frequently washing hands and following CDC guidelines. Because of limited supplies we are encouraging election workers and voters to bring in their own supplies and to take any precautions they feel are necessary to protect themselves. Voters are allowed to use their own pens (must be black or blue ink). Voters may request a secrecy sleeve, otherwise secrecy sleeves will not be issued.

Remember to visit www.HernandoVotes.com for up to date information. We will continue to monitor the situation and modify our plans if necessary.
