## **National Voter Registration Day- Sept. 26, 2017**

On September 26, 2017, Americans will celebrate National Voter Registration Day. The Hernando County Supervisor of Elections office will participate in this national effort to register voters. This is an opportunity to celebrate one of our most basic rights—the right to vote. Voting is something that unites us all as Americans.

This is also a good opportunity to remind currently registered voters the need to update their voter's information. With the next election quickly approaching, we need **your** assistance in making sure **your** voter file is accurate.

Voters will also have the opportunity to request a Vote by Mail or learn about Early Vote opportunities.

Please join us on September 26, 2017 to make sure you are a registered voter and the information we have on file is accurate and up to date.
