## **National Voter Registration Day- Sept. 24, 2019**

On September 24, 2019, Americans will celebrate National Voter Registration Day. The Hernando County Supervisor of Elections office will participate in this national effort to register voters. This is an opportunity to celebrate one of our most basic rights—the right to vote. Voting is something that unites us all as Americans.

This is also a good opportunity to remind currently registered voters about the need to update their voter information. With three elections in 2020, we need **your** assistance in making sure **your** voter record is accurate.

Voters will also have the opportunity to request a Vote-by-Mail or learn about Early Voting opportunities.

Please join us on September 24, 2019 to make sure you are a registered voter and the information we have on file is accurate and up to date. The Supervisor of Elections office is partnering with numerous community partners to offer voter registration drives. Stop by any of the locations listed below to register or make changes to your voter registration.
