## **Register to Vote and Request a Vote-By-Mail Ballot**

Hernando County Supervisor of Elections, Shirley Anderson, is asking residents to visit the elections website to update their voter information and consider requesting a Vote-by-Mail ballot for the upcoming elections.

“As the elections office plans for the August Primary and November General Election we are aware that concerns over Covid-19 will still be with us. Voting by mail is a safe and convenient way a voter can cast a ballot. For the March Presidential Preference Primary 61% of those voting cast their ballot by mail. We anticipate that number to increase significantly for the upcoming elections,” said Supervisor Anderson.

You can register to vote, update your voter information and order a Vote-by-Mail ballot at [www.hernandovotes.com](http://www.hernandovotes.com). It is important that voters keep their information up to date and be Election Ready.
